

My name is Ryan and I needed an attorney. I got into some trouble and going through the court system. I applied to the Public Defender's office and was assigned one.

When my day in court came, I nervously sat there, alone, watching others make final preparations with their attorneys. **Mine was a no show.** I approached the Judge and my heart sank as he read the charges and penalties against me. Then I had a sense of hope when he asked me if I would like a continuance to seek council. The next obstacle I faced was *who to hire*. I'm just a blue collar citizen. I could not afford one of those, high priced TV and Radio Stars.

That was when a friend told me about Matthew R Zatzko(Attorney at Law). I talked it over with my family and they had heard good things too. I decided to give him a call.

Upon learning of the urgency of my case, Matt unselfishly put his precious family time on hold to come see me after hours.

He assured me Justice would prevail in my favor and he went to work. After, [he worked diligently] researching the facts, talking with the District Attorney's office and pointing out the special circumstances of my case. I had an instant sense of relief when he told me they reached a deal I would be happy with.

I walked back in that Court Room with a new sense of hope and a heart filled with confidence knowing I had Matthew R Zatzko (Attorney at Law) by my side.

I hope no one ever finds themselves needing to hire an attorney but if you do, waste no time. Call the Office of Matthew R. Zatzko. Matt is honest, affordable and will work for you. I'm glad I called Matthew R. Zatzko (Attorney at Law)
